

**GODACHI**

SIZE GUIDE

All sizes are as per Indian Standard

RING SIZE

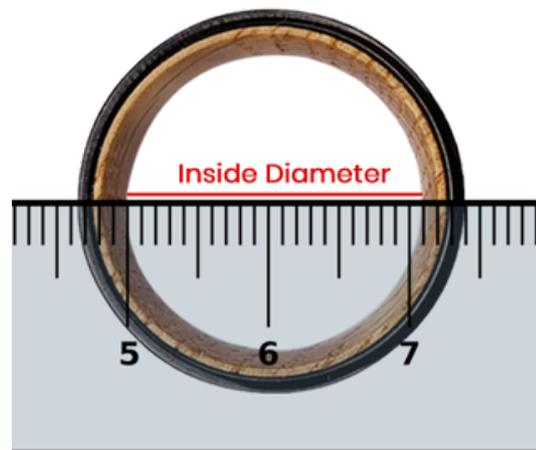

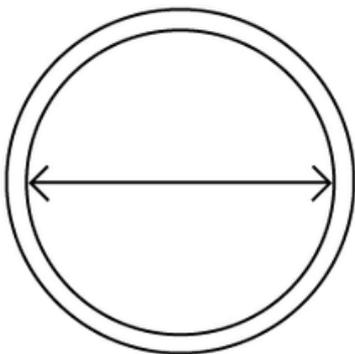

We are presenting some useful steps to determine the Ring size which will help you to get the size close to your physical trial.

1. With a Ring

- If you have suitable size ring, then just takeout the ring from finger
- Put the ring on a scale and measure internal diameter at center of ring in mm
- Refer below chart to get the Ring size in relation with internal diameter in mm

INSIDE DIAMETER

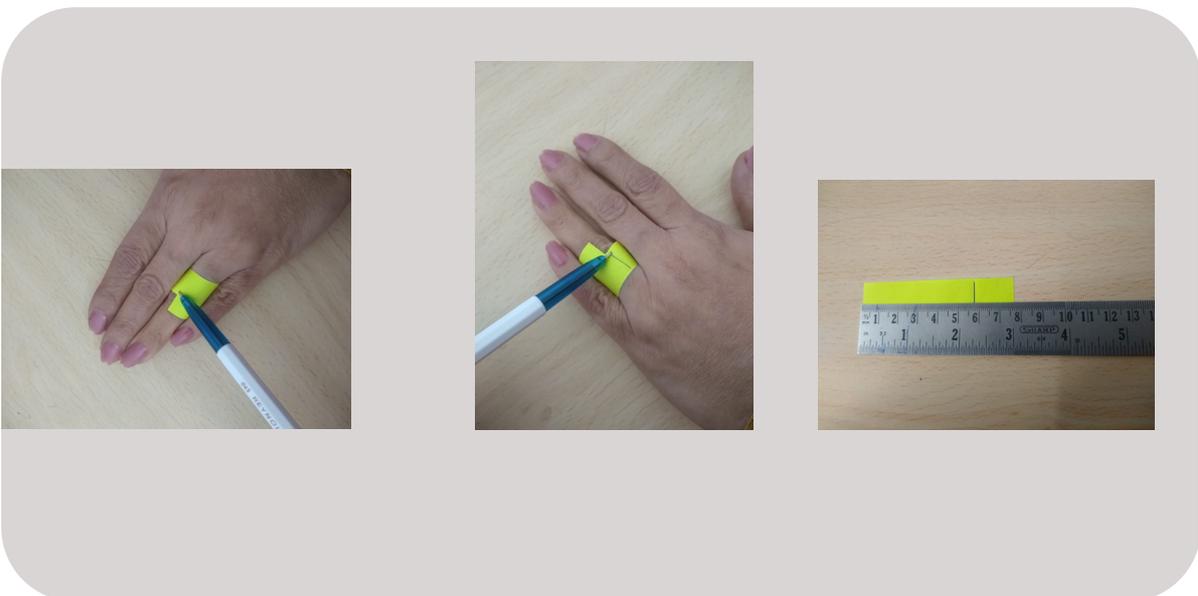

RING SIZE

2. Without a Ring

- a) Take a 10 mm wide white paper strip of around 6 inch long with flat cut at both the ends.
- b) Put the paper strip around the finger exactly at the place of Ring to be wear
- c) Mark correctly the diameter of finger on strip
- d) Measure correctly the marked strip length in mm, which shall be the circumference of the inner part of Ring
- e) Refer below chart to get the Ring size in relation with circumference of your finger

RING SIZE

Ring Size	Diameter in mm With a Ring	Circumference in mm Without a Ring
2	13	42
5	14	45
7	15	47
12	16	52
15	17	55
18	18	58
20	19	60
24	20	64
27	21	67
30	22	70
32	23	72
36	24	76

BANGLES AND BRACELET SIZE

We are presenting some useful steps to determine the Bangle size which will help you to get the size close to your physical trial.

- Cut a thin strip of paper or Thread
- Wrap the paper or Thread around your hand at the Bangle position
- Mark the exact point where paper or Thread meets
- Measure the length of paper or Thread by scale in mm
- Use the below chart Circumference to get your Bangle size

Bangle size	Diameter (mm)	Circumference (mm)
1-8
